Hours of monsterific fun are yours when you play **Creepy Monster Match**, an engaging game for the ages 10 and up. And the game is yours **FREE**, complete in this special monster issue of **Creepy**. See page 82 for assembly instructions and detailed rules.

## HOW TO PLAY

The **MONSTER MATCH** is a game of skill and chance for two to six players. Each player is attempting to organize an army of monsters. And the **FIRST PLAYER TO OWN ONE SET OF MONSTERS** (two matching monsters) ON EACH OF THE FOUR SIDES OF THE BOARD WINS! It's as simple as that!

## HOW TO START

Each player chooses one pawn; the pawn he will use throughout the game. Player may use one of the **BAD SCIENTISTS**, one of the **WITCH SISTERS**, or one of the **GHOUL BROTHERS**. Once you have chosen your pawn, cut out the corresponding colored marker. These markers are used to determine ownership of the monsters once game is in progress.

Cut out the **ARROW** (on page 82) and attach it with a straight pin to the spinner on the game board. You are ready to begin! (Note: the spinner is provided here to furnish you with a complete game. But if readily available, it may be easier for players to use.)

To begin, place all player pawns in the starting box. The player who spins the highest number moves first. The player on the leftmost, and so on. Players will move tokens in a clockwise direction around the board.

# Monsters ON THE BRAIN

"I just *know* the information is somewhere in his head," says Erich von Stroheim in **THE LADY AND THE MONSTER (DONOVAN'S BRAIN)**. But while Erich is taking the easy way out, maybe you'll want to strain your own brain a bit (just for fun, of course) and see how many of these memorable lines you can remember from the various **FRANKENSTEIN**, **DRACULA**, **Karloff**, **Lugosi**, etc., horror movies you've seen at Saturday matinee or on TV.

1. "And it has a wing spread of over 500 feet . . ."
2. "When the moon rises, I turn into a werewolf. I kill!"
3. "Let's go to Frankenstein and choke the truth out of him!"
4. "I held the reflecting lens—and never saw again!"
5. "Handle him as you did the others, Emil; you are strong."
6. "How does it feel to hang on your own bombardment?"
7. "If I could get you . . . I'd break your

dried flesh to pieces."

8. "But as a man of science I will do everything in my power to save him."
9. "You will live with me in the temple of Karnak eternally . . ."
10. "She was beautiful when she died—over 500 years ago."
11. "She hate me—like others."
12. "He said he'd blow up the dam!"
13. "It's interesting to think that long ago we'd be burned at the stake as wizards for this experiment."

WOLF IN SUIT AND TIE

WOLF IN SUIT AND TIE

I believe you're a wolf, too.

I believe you're a wolf, too.

I believe you're a wolf, too.

I believe you're a wolf, too.

Each player will move his token the number of spaces he twirls on the spinner. When a player lands on a space with an unclaimed monster, he may place one of his own MARKERS over the monster, thus CLAIMING IT as his own.

If a player lands in a square with a monster that is already owned by another player, then the fun begins! **THE PLAYERS DO BATTLE FOR THAT MONSTER!** The player who is challenging the owner of the monster **PUPS UP** or **BETS** one of the monsters he owns. Both players twist the spinner, and the player with the highest number wins it! **BOTH MONSTERS** revert to his ownership!

Many monsters on the board overlap into adjoining panels. In order for a player to claim a monster, he must land in the space that monster occupies. This will always be the space with the monster's name. To avoid confusion, always follow the instructions given on the board carefully.

Each monster has a matching partner. When a player lands on a monster, he claims **ONLY** that monster... **NOT** the matching half! The matching half may be obtained by hook or crook... mainly in battles, through trading with other players, or by landing on the matching half when you again come around the board.

The monsters are continually changing hands, in a fast-paced race by the players to obtain a SET OF MONSTERS ON EACH SIDE OF THE BOARD.

Has everybody been taking away your monsters, winning little battles from you, and beating you around the board? Maybe it's just not your day, Bunky! Tell you what, you can send any ONE of your opponents to any square on the board... including HELL!
